

The **FITMOM** Membership Program

WHAT IS THE FITMOM MEMBERSHIP PROGRAM?

The FITMOM membership program is designed to give something back to our clients and supporters who've helped us become a leader in pre and postnatal wellness. A FITMOM membership is our way of saying thank you by offering discounts, deals and gifts for your continued support of the FITMOM family.

HOW DOES IT WORK?

FITMOM membership is valid for 1 year and gives you 5-10% off prices of FITMOM services and products. In addition to that we are negotiating with retailers, and service providers to get discounts and incentives that aren't open to the general public. At a low cost of \$15.00 for the year it will pay for itself the more you use it.

DO I HAVE TO BE A FITMOM CLIENT TO GET THIS DISCOUNT?

The short answer is no. But clients do get the added benefit of a great work out at a discounted rate :-)

WHERE CAN I SIGN UP?

Log on to our web site(s) at FITMOMCANADA.COM or FITMOMMAGAZINE.COM and select "register now". You don't have to join up for classes to get membership. Simply enter your contact and payment information and select "yes" to the question regarding membership. In early 2004 we will be redesigning our sites to accommodate a "MEMBERSHIP" specific area.
